EAGLE IS POSITIONED TO BE YOUR PREMIER RESOURCE FOR FLEET MANAGEMENT WORLDWIDE, WITH THE EXPERTISE TO SERVE AND SUPPORT ALL ASPECTS OF THE INDUSTRY.

About us

In Chile since 2000, Eagle Copters South America S.A. is an independent sales representative of Bell Textron and Robinson Helicopters commercial and military helicopters. Owns a dozen Bell Medium helicopters on lease in different aerial Bell Medium helicopters under lease in different aerial work activities, and an aeronautical maintenance center with Bell aircraft recovery capability, dynamic component overhaul and representation of about twenty avionics and accessories manufacturers.

Headquartered in Calgary [Canada], since 1975 Eagle has been providing to operators a complete service of fleet management. Historically specialized on Bell Medium utility helicopters, Eagle has successfully grown from a small family business to a global team of experts with more than 80 aircraft under lease around the world, thanks to its centers in Canada and Chile. Our partners around the world provide you with the regional and technical expertise to make Eagle an ideal partner in worldwide fleet management and business development into other markets, along with **new helicopter sales, parts supply and logistics.**
